

Lifetime BG Protection Plan®

This Plan is an added benefit when qualified BG services are purchased. All services must be performed by a professional technician at a licensed service center using an approved BG maintenance procedure with proper BG products and equipment.

Maximum mileage to enter the plans:

Vehicle must be no more than 20 years old at the time of the initial service

Plan 1: 0–50,000 miles (0–80,000 km)

Plan 2: 50,001–100,000 miles (80,001–160,000 km)

*Plan 2: 100,001–150,000 miles (160,001–240,000 km)

ENGINE SERVICES

Engine oil grade and weight must meet vehicle manufacturer's recommendations. Timing belt and air and oil filter must be replaced and emission control system maintained in accordance with vehicle manufacturer's recommendations. **To remain eligible, return to a BG shop to have service performed within required service interval.** All BG products must be applied in accordance with stated directions for use.

SERVICE INTERVAL: 10,000 miles (16,000 km)

ENGINE SERVICE with BG 115. Includes dealer pre-loads.

ENGINE & FUEL SERVICE with BG 115 and 203, 213 or 208. BG 407 is optional.

SERVICE INTERVAL: 10,000 miles (16,000 km)

ENGINE PLUS SERVICE with BG 115 and 109.

ENGINE PERFORMANCE SERVICE with BG 115, 109, and 208. BG 407 is optional. Service interval extended to 12,500 miles (20,000 km) if BG oil (BG 737 or 729) is used.

ENGINE SERVICE FOR HIGH MILEAGE*

***DYNAMIC ENGINE RESTORATION SERVICE** with BG 103192, PE04-N1GA, 115 and 208. **This is an entry service and must be performed at the first service interval.**

MAXIMUM COVERAGE: Plan 1: \$4,000 Plan 2: \$2,000

What is covered? Engine coverage

What is covered? Engine and fuel coverage

MAXIMUM COVERAGE: Plan 1: \$6,000 Plan 2: \$3,000

What is covered? Engine coverage

What is covered? Engine and fuel coverage

MAXIMUM COVERAGE: Plan 2: \$3,000*

What is covered? Engine and fuel coverage. **Plan 2 coverage ONLY.** After 10,000 miles (16,000 km), continue coverage by choosing any engine service above, with its corresponding Plan 2 coverage.

COVERAGE

ENGINE COVERAGE: Pistons and rings, wrist pins and bushings, rods and rod bearings, camshafts and bearings, pushrods, intake valves and guides (grinding adjustments excluded), turbo bearings, crankshaft and bearings, cylinder liners or bores, valve lifters, timing chains (stretched timing chains are excluded) (timing belts and damage to engine parts due to broken timing belts excluded), rocker arms and pivots, oil pump, timing gears or sprockets, distributor drive gear.

FUEL COVERAGE: Oxygen sensors, PCV, MAF sensor (only if BG 407 is used), injectors (deposit-related malfunctions only).

AUTOMOTIVE MAINTENANCE SERVICES

Fluids used in these services must meet manufacturer's specifications. **To remain eligible, return to a BG shop to have service performed within required service interval.** All BG products must be applied in accordance with stated directions for use.

SERVICE INTERVAL: 15,000 miles (25,000 km)

FUEL SYSTEM SERVICE with BG 208, 206 and 211; or BG 208, 206 and 210; or BG 208, 206 and 206; or BG 201, 260 and 208; or BG 260, 260 and 208. BG 407 is optional.

PLATINUM™ FUEL SYSTEM SERVICE with use of BG PF04, PF04 and PF05 using the BG E101-1249 supply tool for fuel systems.

SERVICE INTERVAL: 30,000 miles (50,000 km)

TRANSMISSION SERVICE with BG automatic transmission fluid (BG 312, 314, 315 or 316), BG 106 and 310; or BG automatic transmission fluid, BG 106 and 3106 for smaller capacity automatic transmissions. **CVT SERVICE** with BG 106, 303 and 318 for CVTs model year 2014 or newer.

COOLING SYSTEM SERVICE with BG 540 and 546.

POWER STEERING SERVICE with BG 108 and 332 or 334.

DRIVE LINE SERVICE with BG 750, 751, 752, or 753 for front or rear differentials; or BG 750, 751 or 792 for manual transmissions/transaxles or transfer cases.

BRAKE SERVICE with BG brake fluid (BG 835, 840, 841, 842, 850 or 851). BG 827 is optional.

MAXIMUM COVERAGE: Plan 1: \$4,000 Plan 2: \$2,000

What is covered? Fuel coverage plus throttle body

What is covered? Fuel coverage plus throttle body and intake valves (deposit-related malfunctions only).

MAXIMUM COVERAGE: Plan 1: \$4,000 Plan 2: \$2,000

Decrease coverage to Plan 1: \$2,000 and Plan 2: \$1,000 without BG automatic transmission fluid.

What is covered? Lubricated parts within the transmission housing or case only when damaged by an internally lubricated part covered under this Plan. Not covered: Leaking transmission seals and gaskets; electrical components, such as solenoids.

What is covered? Heater core, water pump, freeze plugs, and radiator. Not covered: Hoses, clamps, thermostats and engine components.

What is covered? Lubricated parts contained within the power steering gear box or rack and power steering pump. Not covered: Hoses, belts, brackets, seals and leaking gaskets.

What is covered? Lubricated parts contained within the differential housing, transfer case or transmission case. Not covered: Differential housing, transfer case, transmission case, axle(s), pre-packed axle bearing(s), U-joint(s), CV joint(s), CV boot(s), driveshaft(s), case, flywheel, clutch plate, and pressure plate unless damaged due to the failure of a covered part.

What is covered? Lubricated parts contained within the pump, valves, master cylinder, calipers, and metalized hoses when hose failure results from internal corrosion. Not covered: Pads, rotors, shoes, ABS sensors, controller or other electrical parts.

TERMS

SCOPE: This Plan does not extend a vehicle manufacturer's warranty and will take effect after the OEM warranty expires. However, BG Products, Inc., will pay your deductible amount under any extended service contract purchased by you. It is subject to the terms and conditions contained herein. Only Plan 2 takes effect 1,000 miles (1,600 km) after the first BG service(s) has been performed by a professional technician. A grace period of 500 miles (800 km) will be extended in order to stay within service interval compliance, including initial service of Plan 2 only.

COVERED: Payment of claims under this Plan is limited to the labor time necessary to make repairs or to replace any irreparably damaged parts as allocated by ProDemand® or other industry accepted flat rate guide, multiplied by the commercial repair shop's hourly labor rate, plus the reasonable cost of replaced parts of like kind and quality at the administrator's discretion.

CONDITIONS AND EXCLUSIONS: If the vehicle odometer has been changed or altered, or if the odometer has ceased to function, coverage under the terms of this Plan is not in effect. This Plan covers only legally registered passenger cars, vans, SUVs, and pick-up trucks with a GVW of 14,000 pounds (6,300 kg) or less. Motorcycles, RVs, and vehicles with more than two axles are excluded. Vehicles used for competitive purposes are excluded. Vehicle repairs included in a NHTSA or manufacturer-issued recall will not be covered by this Plan. This Plan excludes in-house maintenance/repair facilities. In the case of a leased vehicle, the lessee must be primarily obligated for repairs and maintenance. If the covered vehicle is used for towing a trailer or other vehicle or object, this Plan is not in effect unless the covered vehicle is equipped with factory-installed tow package. Any claim resulting from collision, fire, theft, vandalism, contamination of fluids, acts of God, misuse, abuse, negligence, damage caused by operation during component failure, aftermarket modification which affects the component specified in the claim, or lack of normal maintenance required by vehicle manufacturer renders this Plan null and void. Pre-existing conditions and damage to system components prior to the service are excluded and may be verified through independent parts analysis at the discretion of BG Products, Inc. Also excluded are

"Washed," "Branded," Salvage or Junk titled vehicles and services performed as a demonstration or as complimentary services. Failure to furnish all necessary records will render this Plan null and void. This is a retail service customer retention program.

CLAIMS AND REPAIR PROCEDURES: In the event of a claim and prior to completing any repairs, the Repair Facility must submit the following information to Courtesy Claims Management, LLC, (CCM) at courtesyclaims.com:

1. All service repair orders indicating compliance with terms and conditions of this Plan, including BG part numbers, retail prices and labor charges.
2. If necessary, all service repair orders showing compliance with the terms and conditions of previous protection plans or service warranties, (excluding OEM extended warranties) and proof of previous plan.
3. The lease agreement, if the vehicle is leased.
4. The estimate for repairs, including part numbers, prices and labor hours. If the repair in question has not been fully diagnosed and/or torn down, the Repair Facility must get the customer's authorization to do so and email or fax CCM when a complete diagnosis is available. (Charges for diagnostic procedures and teardown costs are not covered unless they are an integral part of the repair.)

All claims will be closed out within 30 days from initial filing date (paid or unpaid).

One payable claim per service interval, per system, is permitted.

This Plan is transferable if vehicle ownership changes. BG Products, Inc., is not responsible for incidental or consequential damages. It will apply only to authorized repairs made for vehicles operated in the United States of America, Puerto Rico or Canada. This document may not be modified. The terms and conditions contained within may be subject to change without notice. Courtesy Claims Management, LLC, reserves the right to verify up to 24 months of service history when processing a claim.
